

BASIC CAMERA SKILLS TRAINING COURSE

FIRST COURSE 24TH APRIL 2009
2 TILL 4PM

Have you just got a new Digital Camera and are not sure on its features?

Do you know how all the functions work?

Can you turn on the flash manually?

Do you know how to change settings or manual controls?

Would you like advice on how to take better pictures?

Can you transfer the pictures onto a computer or DVD disc?

We have put together a basic training course to help!

Based at Court Farm Business Centre Brantham for just £15 per 2 hour course.
